## **DETAILED ACTION**

### ***Election/Restrictions***

1. Applicant's election with traverse of the species of claims 2, 3, 5, 6-19, 21, 24 and 27 in the reply filed on 2/28/06 is acknowledged. The traversal is on the ground(s) that a specific colorant or aqueous medium would not be functional. Any specific colorant for any selected color could be utilized. Either water alone or water diluted by an organic solvent may be utilized. This is not found persuasive because.

The requirement is still deemed proper and is therefore made FINAL. Claims 1 and 20 are withdrawn from consideration.

### ***Rejections - 35 USC § 112***

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 3, 11, 12, 13, and 18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

3. The claims recite the limitation " the ink composition" therein. There is insufficient antecedent basis for this limitation in the claim.

4. No anticipatory art has been found. Applicant is reminded of his duty to disclose any art he finds to be relevant to the examination of this application. Claims 2, 7-10, 14-19, 21, 24 and 27 are allowed.

***Conclusion***

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a).

Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
